All Features

Website

Sage's comprehensive, easy-to-use website is full of guidance and advice. Divided into three sections and 45 topics, it helps translate the law into plain English, as well as advising on human resource management and best practice. The service is continually updated with the latest statute and case law developments and its accuracy and relevancy is continually monitored by a bench of professionals.

Document templates

With Sage's suite of HR documentation, you'll enjoy easy access to over 100 procedures, step-by-step guides, letters, policies, forms and contracts of employment. You can also download the documents instantly in a Microsoft Word format, so you can print them directly onto your company-headed paper.

FAQs

Sage has created an online bank of answers to the most frequently asked human resource and employment law questions. The site is continually updated with the answers to questions asked of their HR professionals.

Email alerts

Before any legally required change to HR law, you'll receive an email alert to tell you what you need to know and do. You'll also be provided with all the tools to remain compliant.

Monthly newsletters

Sage will keep you up-to-date with the latest developments in human resource management and employment law, by delivering them straight to your inbox in a newsletter format.

Service updates

Because the Sage HR Advice website is constantly evolving, you'll receive an update of the most recent and important additions to the service each month.
